SEA HOLLY GOZO

At Sea Holly Gozo, we take pride in presenting a wine menu that is both diverse and deeply rooted in the rich viticultural heritage of Malta and Gozo. Our selection is a testament to the enchanting landscapes, the sun-kissed Mediterranean climate, and the passionate winemakers who pour their hearts into every bottle. Most of our wines are sourced from the esteemed vineyards of Malta and Gozo, each telling a unique story of local tradition, innovation, and excellence.

We invite you to explore our Maltese and Gozitan wines, which stand out for their unique flavours and characteristics. Among our distinguished selection, we are particularly proud to feature three exceptional wines from the revered Ta' Betta Wine Estates (Jean Parisot, Anthonio Manoel and Isabella Guasconi).

Among our selection, the **Caravaggio Superior Girgentina** and **La Torre Gellewza Shiraz** stand out, showcasing the distinctive flavours and aromas that can only be found in the Maltese archipelago. These are made from indigenous grapes and turned into world-class wines.

We have also thoughtfully selected a range of international favourites to complement our local offerings.
